**Subject:** Solidarity with the people of Marburg

We the youth of Namibia and direct descendants of the Ovaherero we are hereby sending our message of solidarity with the people of Marburg for what they are doing to stop the building of the monument.

The monument is a bad idea and should not be build those who are to be honoured have killed our people during the war of 1904 to 1908. Therefore we are in solidarity with the people of Marburg.
